Jackie and Len,

Judge Ibarra has REVERSED the jury finding with respect to the foreclosure. That is probably in response to my motions. I don't have copies of the findings and order yet, but, according to my friend, Ben, they should arrive by tomorrow. I will forward them as soon as they are scanned in.

Thank the Good Lord!!! jc

Lee should be the one in jail.

I am not interested in Strada going to jail, just turning the forgery verdict around and establishing a reasonable monetary judgement consistent with our expenses associated with this legal charade perpetrated by Lee and his attorney. \$200K is substantially below our outlay.

As a follow up, you represented that you were filing everything necessary to defend against Lee's motion for judgement NOV and his motion for a new trial.

It is imperative that we make every procedural and substantive argument reasonably possible. It is my understanding that you have done this in a timely manner. If this is not the case let me know by email at this address immediately.

We are also relying on you to let the judge know why the \$200K award for damages should be increased in our favor. Again, if this is not the case let me know by email immediately.

Thanks.

This is UNBELIEVEABLE. Strada should go to jail for this!!!!.. jc

Here is the declaration of the real estate agent that Mr. Strada went to.
She guessed the date of Feb based on when I was on the island, but his
first

visit into her office could have been earlier when the trial was still in
process.

Mr. Strada CAME ONTO THE PROPERTY AGAIN TODAY when I was away. I have
informed Gia-his niece to tell him he is not allowed to step foot on this
property again.

Melissa, the friend of Gia's who was living on the property, who invited
Gia

here from California, has questioned whether we should be concerned for
our
safety.

Please let me know that you received this and what you intend to do with
the
information.

Jackie
