Is A. True Ott “Sorcha Faal”? Not Even Close!

Filed under: Uncategorized — [41 Comments](#)

January 20, 2011

I have recently had a dozen or so people e-mail me concerning what I believe to have been an honest mistake — a patriot blog identified me, A. True Ott, with being “Sorcha Faal”. The author even posted my picture. He quickly apologized to me for his error, claiming that his “information” came from un-named sources at Alex Jones’ website. HMMM.

Just for clarification:

I devoted a full two hour show in 2009, while at RBN, on the subject of “Sorcha Faal” following a personal two week investigation. Here is what I uncovered, if you’re interested:

1. Sorcha Faal appears to be an acronym for a multi-generational cabal of Ashkenazim Jewish women who first formed clear back in 1290 A.D. If this is accurate and true, they have continued their organizational structure through world wars and upheavals in Europe to the present day – and consist of a tightly-knit group of 13 “sisters” at the very top of their “Order”. A close examination of their website, “What Does It Mean” shows an amalgamation of witchcraft (WICCA) and “mystic” new-age icons, which gives an awake Christian a very strong clue as to their true agenda. They are NOT “Christian”, and likely follow instead the “old, mystery religion” of Babylon – which involves scrying and demonic divination practices primarily.
2. The group fancies themselves literal descendants of Rachal (aka Rachel) the wife of the biblical Jacob. The actual title of this master coven is “As of Rachal” a title consisting of 9 letters. (Mistake corrected here – Rachel was Jacob’s wife, not daughter. OOPS!)
3. I discovered that when you take the 9 letters of “As of Rachal” and give each a numeric value, (one through nine) – and then place these letters in the 9-lettered “Masonic Tracing Board” (which is also referred to by Babylonian Kabbala as the “Tree of Life”) – the “tracing board” transforms “As of Rachal” into “sorcha faal”. Thus, Sorcha Faal is the overt public name of their coven, while the actual name “As of Rachal” remains covert and hidden from the profane “goyim”.
4. The current leader of the coven is apparently the daughter of one David Booth, and her name is “Rachal” as well. (Rachal Booth,) David Booth appears to be linked in many ways to MOSSAD, and reportedly maintains close ties with MOSSAD agents in Israel and Mother Russia. David Booth, according to genealogical websites I personally accessed, traces his ancestry to one John Wilkes Booth, agent of the House of Rothschild Bank of England and assassin of Lincoln. How little things appear to

change!!

5. Their posts are not from one specific individual, but often is an amalgamation from all 13 members. A close inspection of their various postings shows multiple writing styles. Thus, “Sorcha Faal” is not one, single individual.

Support of this above information comes from a past member of the “organization” who I understand donated a rather large amount of money to them, and actually met with the 13 “sisters of Sorcha Faal” shortly before their meeting with the Jesuit “Black Pope” in Rome. She has allowed me to share a snippet of just one e-mail exchange with them (emphasis mine) after she eventually realized who “As of Rachal” was truly all about:

“Upon our return to London we agreed among ourselves that the knowledge we had gained from Sorcha, and her Sisters, should also be shared to others.

You can feel the wind across your face when it blows. You can see also the terrifying destruction of wind after a storm. But, you cannot ‘see’ the wind, so is the power of Sorcha and her Sisters..you can’t see it with your eyes, but you can see its effects.

Over these past few years we have been able to obtain for the Sisters both the means and capability that enables them to impart their ancient knowledge to our various English language speaking countries.

From Rachal Booth’s Foundation alone have the Sisters been able to communicate with the larger world, both through Rachal’s donation of this website, and the computer systems to Sorcha’s entire Order around the world.

From those of us who are the intermediaries between Sorcha and her Sisters, and to the rest of the world, we ask for your continued assistance in assuring that the messages they have for the world at large can never be confined to their homeland in Siberia.

Neither Sorcha nor any of their Orders will ask this of you, but as ‘outsiders’ we do not operate under their self imposed systems of constraint they have placed upon themselves.

If you believe, like we do, that Sorcha and her Sisters messages are important, please go to <http://www.whatdoesitmean.com/index684.htm> and help us to keep their ‘messages’ to the English speaking peoples of the world from disappearing.

As they travel to Rome this morning we do not believe that their efforts should go unsupported.

Will you support them?”

In short, this group “Sorcha Faal” is indeed very powerful and dark. Their information/intelligence is indeed often very accurate, but is designed to provide misdirection in key areas – again this is all at the direction of the MOSSAD and the CIA.

Be aware.

Respectfully submitted,

A. True Ott, PhD

I remember that show True. Now that I think about it, how many computers have you lost since you debunked and outed Sorcha Faal? I think you'll see a correlation.

And speaking of computers....put your own together...it's cheaper and better, and you can get replacement parts more readily. newegg.com is awesome for parts.

<http://www.homepcbuilder.com/> has great tutorials on how to build your own....and there are many more on the net and on youtube. Go with AMD chips and not Intel, you'll save a bunch right there. Make a dedicated backup harddrive so everytime they fry your comp (drive) you just put in a new one (40-100 bucks depending on how big of a storage you need) and run the backup disk. Voila! Back and running and on the cheap. No more buying retail computers with all the bloatware and backdoors and inferior parts.

Good point, Michael. Indeed, that is when I first began having trouble with links and computers. Interesting idea about building my own. All I need is another hobby – but will check it out.

Many thanks.

I listen to Alex Jones everyday for the last couple of years and have not heard your name not once!

I do love your show and work more.

Thanks,

Alex's wife is a Khazarian Jewess. Ditto with his primary sponsors. When I first began my radio work in 1997, my show was “black-balled” nationally as it was being “syndicated” because of an expose wherein I documented the Jewish conference in Hamburg, Germany in 1819. The Jewish council, at this conference, voted and established that the primary “homeland” of the European Jew was/is the Khazar region of present-day Romania/Transylvania. They voted and abolished all mention of “Zionism” from their “prayerbooks”. Many “zionist” Jewish families emigrated to America soon after, and established their money trusts in New York and other cities. As the

zionist “House of Rothschild” grew in power and wealth – the goal was to establish the nation of “Israel” as a world-wide epicenter for this “Synagogue of Satan” — aka “Jews who say they are Jews, but who are not” (in direct fulfillment of the Book of Revelation.)

I will wager a steak dinner that you will NEVER hear this MOST IMPORTANT TRUTH concerning the origins of Israel ever discussed by Mr. Bullhorn Jones – and this also why you will likely never hear MY NAME mentioned either. For more information, spend some time reviewing: <http://www.atlanteanconspiracy.com/2010/07/alex-jones-exposed.html> Notice the clip on Bill Cooper — he slams Cooper as being a “drunk” and using foul language — yet listen the words Alex uses himself in “Part 2”.

So glad you love my show. Keep listening, and THANKS.

Speaking of jews and zionists....you know who would be a great guest on your show...a former RBNer like yourself, Michael Collins Piper. I bet he can bring to light some really good information on your show. I see a definite synergy in both his and your work.

Indeed he would. Any idea how to contact him, and do you know he is no longer on RBN? My guess is that Stadtmiller had him move on, like he did me. My show is moving to mornings, 10 am to noon Mountain time.

I always thought you and Michael Collins Piper were the best shows on RBN. Same can be said for Rick Adams, he has a great show as well. All three of you have tremendous shows. I don't see Rick Adams being with RBN much longer either. RBN has gone down hill....I wonder if JS caved to jewish/ zionist pressures? Who knows.

As for Michael Collins Piper, here is his podcast channel (another great way besides internet radio to get the truth out).

<http://michaelcollinspiper.podbean.com/>

That is where he puts out an hour long show now sans callers since its all pre-recorded. I kind of like this format better for him because its just MCP for the full hour. Mark Glenn has helped him put all this on there for him (another stand-up guy as well for the truth). Under Michael's picture is a way to contact him through email, but you have to register to podbean first it seems. I think it would be a tremendous show if you were to have him on as a guest in the near future.

I’m kind of disappointed your show is moving to an earlier time slot. I liked the time slot you were in now. It fit perfectly with the sequence of shows I listen to throughout the day, and gives me an hour to digest the information you present before Don Nicoloff’s show comes on. Now I’ll have to modify my routine. No big deal....I’ve got nothing but time.

Place the nine letters “As of Rachal” into the Kabbala “tracing board” sequencing, and there you have it. Thanks for figuring it out first. (Did you know that there is a small town on the Utah/Nevada border named “Rachel” which is the entrance to “Area 51”???)

US Gives China Eminent

Domain Over US Property
Beyond High Treason
A. True Ott, PhD, ND
2-28-9

Let’s connect some dots today, boys and girls to learn about the HIGHEST POSSIBLE TREASON that has happened in this country.

THIS IS AS REAL AND AS UGLY AS IT CAN GET.

Dot #1 China begins its covert war on the FREE American republic in the 1950’s by taking over much of the PHARMACEUTICAL DRUG manufacturing for American and British Big Pharma. This is an outgrowth of the Rothschild’s OPIUM RING PROCESSING by the British West Indies company during the 1800’s, and is brokered by the “City of London” and Washington D.C.

Dot #2 Arch-illuminist and satanist Henry Kissinger “normalizes” trade relations with China during the Nixon years.

Dot #3 Eventual LDS (Mormon) Church President Gordon B. Hinckley, via the church-owned Polynesian Cultural Center in Hawaii, establishes a “hard currency” pipeline with Beijing, exchanging bank “trade credits” for CIA/BRITISH MI6 DRUG SERVICES RENDERED into hard GOLD AND SILVER while hiding behind the cloak of “World Religion”. This is facilitated via the LDS-Church built and controlled “Shenzhen Special Economic Zone” adjacent to Hong Kong. When Hinckley is made LDS President, his first “official” visit as “World Prophet” is to China, where the Chinese Communist leaders give him a hero’s welcome and a confetti parade. (See attached paper — “Pensees of a Puzzled Pilgrim” pp 5-6 and Desert News, June 1, 1996 article: “President Hinckley Visits China”).

Dot #4 Arkansas natives Bill Clinton and Sam Walton massively increase contracts with China’s factories over 2,000%. This results in a tremendous imbalance of trade with China. Thanks to the Mormon “Special Economic Zone” — China’s communist leaders begin amassing incredible “real” wealth in gold and silver.

Dot #5 China purchases TRILLIONS of dollars worth of U.S. Treasury Bills and Bonds, paying for it with gold and silver provided by the Shenzhen Economic Zone exchanges. Much of the U.S. “national debt” is purchased from the private “Federal Reserve” banks in this manner.

Dot #6 Dr. Jeff Taubenberger of the U.S. Institute of Pathology in Ft. Dedrick MD, (The world headquarters for biologic weapons development) successfully maps the genome of the 1918 killer “flu” virus responsible for the 1918 “pandemic” that killed millions. The worst killer virus ever to plague mankind is now ready to be used as a covert “weapon” disguised as a natural “influenza” mutations.

Dot #6 July, 2005: The Illuminati-controlled United Nations announces that the world is long over-due for an “influenza pandemic”. The H5N1 “Avian Flu” is wrongfully demonized as a COVER.

Dot #7 December 2005: The Chinese Defense Minister, Chi Haotiaon delivers a speech to the Chinese military leaders outlining the inevitable “expansion” of China into Canada, the U.S., and Australia — He justifies this because of Chinese racial “superiority” and thus “emminent domain”. To accomplish this, American would first have to be “Cleansed” by means of a powerful “biological weapon” — causing 150 -200 MILLION AMERICAN DEATHS!!! The plan would be enacted AFTER the symbolic

OLYMPIC GAMES beginning at the sacred day of 8-08-08 are concluded. China begins buying oil and gas futures, spiking the worldwide prices to historic levels.

Dot #8 March 13, 2008: A secret meeting is conducted for the U.S. House and Senate. Agents of the Club of Rome give a preview of upcoming events to elected officials who first swear an oath of secrecy. The traitors are briefed that the economy will begin its collapse in October, 2008 — and will TOTALLY collapse in mid 2009. As events unfold in 2009-2010, Congress was told of the real possibility of massive civil unrest and even Civil War being waged. Detention camps constructed to imprison civil ‘agitators’. See <http://www.afterdowningstreet.org/node/3...> for the complete meeting agenda.

Dot #9 In September, 2008 — as soon as the Olympics are concluded, China stops buying oil and gas futures while dumping U.S. Treasury bills and bonds. Gasoline prices plummet, while the U.S. mortgage loan money becomes tightly constricted. The Club of Rome’s agenda is being implemented perfectly.

Dot #10 In October, just as explained in March, the economy indeed begins its collapse with mortgage banks going bankrupt as the Chinese dump their U.S. Securities. This causes a world-wide “rush to liquidity” as money supplies DRASTICALLY tighten.

Dot #11 Billions of worthless U.S. Government “bailout” debit entries are given to bolster failing U.S. Banks. These are “worthless” because China now controls most of the U.S. “REAL” wealth in the form of gold and silver. China refuses to continue investing credit loans to the U.S. Treasury.

Dot #12 Barack Hussein Obama is elected, promising “Change you can believe in.” After taking office in January, Obama sends Hillary Clinton on a critical missio

Sorcha Faal is really David Booth. The picture on the website “whatdoesitmean.com” portraying Sorcha Faal is of his wife Kathy. It is simply from when she was a teenager. The name Rachal comes from his daughter Rachal Booth, nothing more. No big conspiracy, no hidden message. It is a character created to sell plagiarized books and other garbage “survival items”. Don’t believe me? Check it out. All those symbols all over the site are there to distract people from realizing that every article that he writes is garbage. They all start with “From the Kremlin today”. Really? Some guy living in no where Tennessee is getting all this secret info from the Kremlin. No! He simply surfs the net looking for stories, puts them all together to create one story and sells it as a Kremlin report.

Oh I Know It’s DAVIS Booth. I believe he .. .used to be.. a CIA asset too. WHEN I check back to the original sources though, especially the Kremlin ones, they check out. THE Russian science projects aren’t always as censored as here. A good wxample is the current earthwquake rashj. The’re way

ahead of us in EQ analysis and prediction, and Tesla originated tech, so it is possible to gather a lot of vital info that way.

I know to stay away from the disinfo...

AS I understand it, only the Khazar rulers / ruling class converted to Judaism way back when, and the people basically kept whatever belief system they were already subscribed to. Because of the diaspora, and many waves of persecution, execution, etc, when the Romans suppressed the revolt of 135 AD, and dispersed the Jews / Hebrews thru all the then known world, it wouldn't be too surprising that a number of them intermarried to be more accepted or for other reasons, in the same way as during the inquisition many “CONVERTED” to Roman Catholicism to placate their persecutors / torturers/ would be executioners. For may tho it it was in name only.

Thus all this anti Ashkenazim stuff, gets wearing – it's mainly a guise for antisemitism of varying degrees wherein all people of potential Hebraic ancestry / heritage, are lumped in with the political Zionists – who are really not a huge number but don't realise they are deceived pawns of the power elite / illuminati / Vatican / Freemasonry etc into helping bring about the NWO being planned for at least 3-400 year. SF themselves don't count their inception as being in 1290 but rather 538 AD.No matter, I am a firm believer in the admonition of the scriptures, to test all spirits, prove everything, and search the scriptures to build your spiritual radar for deception avoidance.

Mystery babylon, ha....Kabbala and ancient knowledge is evil, ha ha. The biggest ignorance this world had ever and will ever know is Christianity. It was designed strictly to keep people from developing spiritually on their own and keep them afraid of looking for truth on their own. The fear of hell can be a powerful deterrent to easily lied to people! It's sooo funny how the new Christian conspiracy folks seem to be sooo anti Jew, when you worship a rabbi for crying out loud!
