Dr. Michael Nuccitelli Available to Discuss Arizona Shooting Suspect

Jared Loughner, Arizona shooting suspect smugly smiled for the camera and gave America a glimpse of his deviant mind. Over the coming months, the nation will be transfixed on Mr. Loughner's destiny. Dr. Michael Nuccitelli, a New York State licensed psychologist and certified forensic consultant announces his availability to discuss the profile of rampage killers and the Arizona shooting suspect.

Kingston, NY, January 14, 2011 --(PR.com)-- Dr. Michael Nuccitelli is now available for interviews covering elements related to the Arizona shooting case. Bart Panessa, President of Nutraloid Labs, strongly supports and encourages Dr. Nuccitelli allocating time to educating the public on this national tragedy. All of his future engagements are free to the community effective 1/12/11. Community agencies, local and national media, and the professional community are encouraged to contact him.

Dr. Michael Nuccitelli is a New York State licensed psychologist and certified forensic consultant. He completed his doctoral degree in clinical psychology in 1994. He presently resides in the Hudson Valley 60 miles North of Manhattan. Over the last 25 years, Dr. Nuccitelli has worked in the mental health field in a variety of capacities with various clinical populations. In addition to mental health, Dr. Nuccitelli has worked in the area of forensic psychology conducting forensic evaluations within the Hudson Valley.

Presently, he is a forensic and educational consultant providing his expertise to the community and media. His primary employer, Nutraloid Labs, has encouraged him to allocate a portion of his work week to offering his expertise and insights related to the Arizona shooting case. President of Nutraloid Labs, Bart Panessa, stated "After hearing about this tragedy and seeing the photo of Loughner's headshot posing with a grin, I realized the public would need a guy like Dr. Nuccitelli to help explain this man's evil motivations."

Arizona shooting suspect, Jared Loughner, engaged in a heinous act on January 8, 2011 which devastated America. Dr. Nuccitelli is now available as an educational resource for the community. In addition to offering his expert forensic insight regarding the Loughner case, he will also be working on writing and posting articles at article websites for interested parties to read. Dr. Nuccitelli welcomes contacts from the community on the psychology behind Mr. Loughner's motivation to murder and aspects of the impending trial.
